
Subject: Business Database Dubai, Middle East and

Posted by adrea.adisson - 2009/05/26 11:20

I wonder if someone know from where I can get a business database of Dubai, in fact, almost all countries of Middle East and Asia countries. The Database may contain following fields:

Company profile:

Person Name:

Designation:

Email Address:

Optionally

Fax:

Phone:

Website

I would appreciate if any one of you could be of my help.
